SHINY CHRISTMAS!

From living-room decorations to festive table arrangements and chock full of pretty and tempting gift ideas, this book presents everything associated with a Christmas celebration adorned in creative and decorative designs. With more than 250 large-format pictures, this compelling compilation is an indispensable treasure trove for designers, floral artists and creative flower fans. Everyone will find what they're looking for – alongside plenty of ideas and inspiration for duplicating at home or in a professional flower shop or atelier. Look forward to the following themes:

- Festivity in natural shades
- Patina of petrol
- Radiance of red
- Gleam of gold
- Twinkle of turquoise
- Panache of pastels
- Brilliance of brown
- Highlights of hues
- Shimmer of silver
